# HEY, DEAR READERS A NOTE FROM EVERYONE

This issue of **The Sixth Year** will be our last issue. We are publishing this on our last day of Primary School. Us at Central Park have had a very good time here at school; and now that time is coming to the end.

Thank you to all our teachers for supporting us when we needed them the most. All the support staff and the headteacher, helping us create this big project together.

We've had our ups and lows, our downhills and uphills, but together, we were a team. Congratulations to everyone and we hope you the best at your new secondaries. Wish you luck!

# MEMORIES

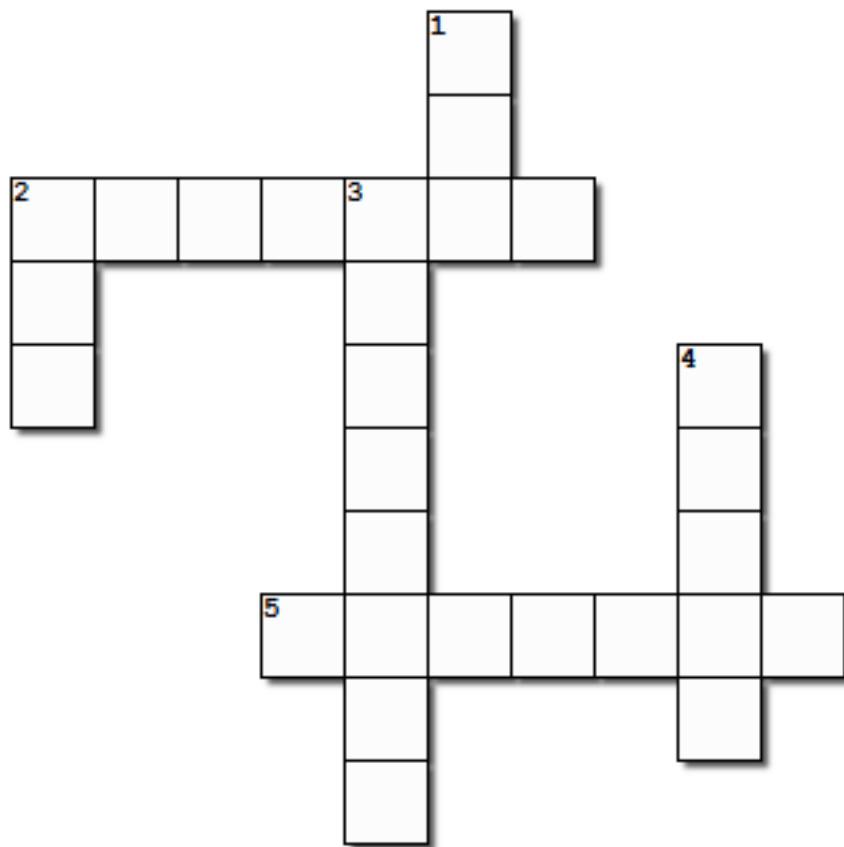

Our class journey began from Nursery all the way to Year 6 so today I'm going to be sharing some of our beautiful class memories. Most of our memorable and favourite class memories happened in Year 6 as we went on exciting trips and did many projects and activities as a class. Our first Y6 memory was completing our SATS, which was a huge relief. Next, our first Y6 trip was to the Theatre. There, we would find out what Y6 play we would act out at the end of the year. It was a fantastic experience as we got to see the live performance of The Lion King! Also we can't forget the snacks and drinks that we got to buy!

Our next class memory is a class favourite. We went to CHESSINGTON WORLD OF ADVENTURES! We got to experience fear and excitement through rides and adventure. A few things we did included: going on exciting rides, exploring the humongous park, visiting the Gift Shop and buying some tasty snacks!

Thirdly, as our year came to an end we had our Year 6 graduation ceremony! Tears and laughter blended in as our fantastic journey came to an end. We took photos and exchanged hugs for the very last time. But, there was something to lighten the mood, during the ceremony, we received our SATS results. There were mostly smiles and cheers as all the effort we had put in throughout the year had finally paid off in the best way.

Although our primary journey came to an end, determination and bravery had not! So we still continue to thrive and push through in our own unique ways.

# one last **goodbye**

**One. Last. Goodbye.** 8 years. In the 8 years we have been in this primary school, every memory was cherished. Every uphill. Every downhill. We were together. *That* is something we will never forget. Even if we never see each other again, even if we forget each other; just know, we will be in each other's hearts.

Thank you to all the teachers who supported us when we need them most. All the support staff, even the lunch supervisors... Thank you for making us become who we are. Thank you to all the readers of this beloved magazine/newsletter. Goodbye.
